TIDEWELL

Price and setup are tailored to your business and agreed on the call.

BUNDLE · CHOOSE 1 OR MORE ASSISTANTS

Starter

A lighter version of the assistants, for businesses of any size. You choose 1 or more of six assistants. The price depends on your workload.

COMPANY SIZE

Any size

The monthly price depends on your workload. We agree the price with you before you start.

30 day guarantee

Not the right fit in the first 30 days? Cancel and get your money back for the remaining time.

Choose 1 or more assistants

1

Email Assistant

A sorted inbox, reply drafts and documents, ready for your approval.

- Sorts and labels your inbox 2 times a day, with no limit on emails
- Flags urgent emails so you see them first
- Drafts replies in your tone
- Drafts documents for you, such as applications, complaints, reports and supporting letters
- Follows up on threads that have gone quiet
- End of day summary

2 Scheduling Assistant

Calendar, bookings, reminders and an overview of your day.

- A Google Calendar you see live, connected to your booking system
- Bookings show up in the calendar automatically
- A weekly overview
- A review of your day every morning, and at the end of the day a reminder of what tomorrow looks like
- Booking alerts by email, or by SMS as an add on
- Reminders for meetings, projects and deadlines

3 Finance Assistant

Invoices, matching, overviews and working with your accountant.

- We check your invoice inbox
- We match invoices and payments
- We help you track your sales and profit: revenue, profit, cash flow and costs in Google Sheets
- We create invoices for you
- We keep an overview of paid, unpaid and overdue invoices
- We draft payment reminders for your approval
- We work with your accountant and suggest account coding for your accountant to approve
- Monthly and yearly overview

4 Marketing Assistant

Content strategy, posts, newsletters, automated FAQ and analytics.

- We build a content strategy for your brand
- We plan your social media posts for the month
- We write captions and design posts in Canva from your own photos
- We create a newsletter once a month
- We create an automated FAQ for social media
- We track your analytics and suggest what to do more of

- We create prospect lists for B2B

5 Customer Rep

Replies to your customers in the channels you choose.

- We answer your customers in the channels you choose: email, chat or social media messages
- We reply from your approved templates
- We prepare answers to new or unusual questions for your approval
- We escalate complaints and sensitive cases to you straight away
- We keep a log of every enquiry and its status
- We build and update your reply templates

6 Operations Manager

Staff plans, stock, supplier orders and daily overviews.

- Daily staff and shift plans, emailed to your team the night before
- We keep track of stock and flag what's running low
- We draft orders to suppliers for approval, and we track delivery
- We collect checklists or photos of what has been done, and give you a daily and weekly overview

A LIGHTER VERSION

Starter covers the essentials for each assistant you choose. If you need more, the single assistants go deeper and do more. See Our Assistants

Standard priority

Starter runs at the standard service levels. Full Assistant adds more features and priority, and Complete Back Office has top priority.

Weekly report

Every week we send you a short summary of what we handled, what is waiting for your approval and what is coming up next week.

In your monthly report

- ✓ What your assistant has done
- ✓ What is waiting for your approval
- ✓ Suggestions for next month

Customer service from us

Monday to Friday, 08:00 to 16:00. If you want changes after 16:00, we handle them the next working day. Everything outbound is prepared for your approval, unless we agree otherwise.

Bundles

Starter is a tailored bundle. What is listed above is what is included.
